MESSAGE FROM THE PRINCIPAL'S DESK

Undoubtedly, Humanity is fast drifting away from the sublime position it holds in the creation...! Satyug Darshan Institute of Engineering and Technology, is that center of holistic learning where we strive to make future ready engineers and managers who are better human beings and thus regain the lost glory of humankind.

We have a dedicated team of experienced and highly qualified faculty-members. This when amalgamated with the strong industry interaction through regular mutual visits & seminars, keeps us tuned on the pulse of the state of the art. Our campus is vibrant with full of activities contributing to the perfection in the personalities of our students.

We welcome all to be a part of this great endeavour to regain those eroded human values and build competitive engineers, technologists & managers. We extend a heartfelt invitation to all aspiring students, parents, and academic collaborators to join us in this noble and meaningful Venture.

Dr. Shailendra Kumar
Principal

MESSAGE FROM HEAD OF DEPARTMENTS

• APPLIED SCIENCE DEPARTMENT

At Satyug Darshan Institute of Engineering & Technology, the Applied Sciences and Humanities (ASH) Department plays a vital role in laying a strong foundation for our students. With over 25 years of experience in Mathematics, I am committed to providing a comprehensive learning experience that merges theoretical concepts with practical applications.

Our department fosters critical thinking and problem-solving skills, which are essential for students' academic and professional growth. We aim to not only build a solid academic base but also inspire students to excel in their respective fields, ensuring their success in an ever-evolving world.

Dr. S.S Mudgal
Professor & HOD

• DEPARTMENT OF MANAGEMENT STUDIES

Dr. Manpreet Kaur
HOD

At SDIET we are committed to provide a nurturing and progressive learning environment for developing tech savvy management professionals who understand the rapidly evolving needs of social, economic and environmental eco-systems. The dedicated team of academic professionals utilise both offline and online resources for engaging and orienting young minds to adapt to the mind-set of continuous self-improvement. Additionally, we offer well-structured technical and soft skill development programmes that prepare them to become a valuable part of the national and global community.

• ENGINEERING DEPARTMENT

Dr. Ritu Punhani
HOD

Welcome to the Department of Computer Science & Engineering at SDIET! We are excited to welcome you to the vibrant and dynamic world of computer science, where you can become the change-makers of tomorrow. The Department of Computer Science & Engineering (CSE) is dedicated to ensuring the success of our students by preparing them for promising careers. With a team of highly qualified, experienced, and motivated faculty members, we aim to equip our students with the skills and knowledge needed to excel in the global competitive landscape.

“School is one thing.
Education is another. The two
don’t always overlap.
Whether you’re in school or
not, it’s always your job to get
yourself an education.”
