TRAINING AND PLACEMENT

INDUSTRIAL VISIT

EVENTS

EDITORIAL BOARD

• VISION •

To be an institute that develops competent professionals with high ethics and moral values to lead the society for a peaceful tomorrow through disseminating of true knowledge, Service to mankind and to transform ordinary aspirants to extra ordinary by imparting application-based education.

• MISSION •

To produce technically brilliant industry professionals matching global standards where budding leaders are imparted professionalism, technical and entrepreneurial skills to adapt and excel in competitive global environment committed to the cause of humanity.

SDIET USP'S

- Experienced faculty from reputed colleges like IIT/NIT/IIFT in every department.
- Expert lectures from industry professionals and widely known academicians.
- Blended Learning & Digital Technologies.
- State-of-the-art labs providing unparalleled practical exposure along with innovative teaching pedagogy.
- Regular industrial visits updating our students with latest trends
- Special soft skills sessions from 1st year onwards.
- Personalized placement assistance for all.
- 36 Acre lush green campus with 2500+ capacity Auditorium, Gym, Swimming Pool, 5-Seminar Halls, Wi-Fi.
- Newly built hostel for students.
- Limited scholarships for meritorious students and special scheme for girls.

MESSAGE FROM THE CHAIRMAN'S DESK

In this present era of intense and ardent competition especially in the field of education, it has become imperative for the educational institutions to provide their students with not only the best quality education but also cater them with mental, physical, and ethical well-being. Satyug, Darshan Institute of Engineering and Technology, nestled in a lush green campus, stands as a beacon of knowledge, fostering holistic development and nurturing future leaders.

At the heart of our mission lies the belief in providing not just education, but a transformative experience that enriches the mind body and soul. We are firmly committed to nurturing talent instilling values and fostering a culture of excellence.

We understand the importance of equipping our students with the skills and competencies necessary to thrive in today's job market. Therefore, alongside academic excellence we offer comprehensive programmes aimed at enhancing employability and providing job opportunities through quality, internships, industry collaborations and practical learning experiences. We empower our students to excel in their chosen fields and make meaningful contribution to society.

As a Chairman, I am steadfast in my resolve to ensure that every student who passes through our doors emerges as a well-rounded individual equipped with the skills knowledge and integrity to thrive in a dynamic world. Together, let us continue to strive for excellence, embracing diversity, incorporating the spirit of innovation.

I on behalf of SDIET assure you that your ward will get the best of infrastructural facilities, caring attention, and the right academic ambience, which you may feel as a parent.

Sh. S.K. Sachdeva
Chairman

MESSAGE FROM THE PRINCIPAL'S DESK

Undoubtedly, Humanity is fast drifting away from the sublime position it holds in the creation...! Satyug Darshan Institute of Engineering and Technology, is that center of holistic learning where we strive to make future ready engineers and managers who are better human beings and thus regain the lost glory of humankind.

We have a dedicated team of experienced and highly qualified faculty-members. This when amalgamated with the strong industry interaction through regular mutual visits & seminars, keeps us tuned on the pulse of the state of the art. Our campus is vibrant with full of activities contributing to the perfection in the personalities of our students.

We welcome all to be a part of this great endeavour to regain those eroded human values and build competitive engineers, technologists & managers. We extend a heartfelt invitation to all aspiring students, parents, and academic collaborators to join us in this noble and meaningful Venture.

Dr. Shailendra Kumar
Principal

MESSAGE FROM HEAD OF DEPARTMENTS

• APPLIED SCIENCE DEPARTMENT

At Satyug Darshan Institute of Engineering & Technology, the Applied Sciences and Humanities (ASH) Department plays a vital role in laying a strong foundation for our students. With over 25 years of experience in Mathematics, I am committed to providing a comprehensive learning experience that merges theoretical concepts with practical applications.

Our department fosters critical thinking and problem-solving skills, which are essential for students' academic and professional growth. We aim to not only build a solid academic base but also inspire students to excel in their respective fields, ensuring their success in an ever-evolving world.

Dr. S.S Mudgal
Professor & HOD

• DEPARTMENT OF MANAGEMENT STUDIES

Dr. Manpreet Kaur
HOD

At SDIET we are committed to provide a nurturing and progressive learning environment for developing tech savvy management professionals who understand the rapidly evolving needs of social, economic and environmental eco-systems. The dedicated team of academic professionals utilise both offline and online resources for engaging and orienting young minds to adapt to the mind-set of continuous self-improvement. Additionally, we offer well-structured technical and soft skill development programmes that prepare them to become a valuable part of the national and global community.

• ENGINEERING DEPARTMENT

Dr. Ritu Punhani
HOD

Welcome to the Department of Computer Science & Engineering at SDIET! We are excited to welcome you to the vibrant and dynamic world of computer science, where you can become the change-makers of tomorrow. The Department of Computer Science & Engineering (CSE) is dedicated to ensuring the success of our students by preparing them for promising careers. With a team of highly qualified, experienced, and motivated faculty members, we aim to equip our students with the skills and knowledge needed to excel in the global competitive landscape.

Industrial visit to Network Bulls Pvt. Ltd, Gurugram

INTRODUCTION :

The Training and Placement Cell of SDIET successfully organized an industrial visit to Network Bulls Pvt. Ltd., Gurugram, for B.Tech CSE 2nd year students on August 10, 2024. The visit was a resounding success, providing students with a comprehensive understanding of cutting-edge networking technologies.

OUTCOMES :

The industrial visit provided a great learning experience for the students, enhancing their understanding of networking concepts and their practical applications. The visit was a perfect blend of theoretical knowledge and hands-on experience, making it a valuable addition to their academic journey and now students are now more equipped to take on the challenges of the tech world!

KEY HIGHLIGHTS

- *Interactive Technical Sessions*:
Experienced professionals at Network Bulls conducted engaging sessions on:
- Routing and Switching: In-depth discussions and practical demonstrations using real networking equipment.
- Security Protocols: Overview of security practices to safeguard networks from cyber threats.

- Network Design and Architecture:
Insights into designing robust and scalable network architectures.
- *Hands-On Lab Experience*:
Students participated in hands-on lab sessions, applying theoretical knowledge in a simulated networking environment.

15-days soft skills and personality development program

INTRODUCTION :

T&P Cell along with Metaacogz World successfully completed the 15-days soft skills and personality development program, *SUCCESS MANTRA 2.0*

INFORMATION :

Students learned valuable skills like Observing Skills, Leadership, and Communication, Resume Writing, Public Speaking, Leadership Skills and Personal Grooming, Interview Preparation, Critical Thinking, Problem Solving, and LinkedIn Management, SMART Goals and Time Management, Mock Interview, Advanced Interview and Group Discussion Techniques.

HIGHLIGHTS

- * 100% student participation and engagement
- * Positive feedback from students on the program's relevance and impact
- * Improved confidence and public speaking skills among students
- * Enhanced leadership and teamwork skills through group activities
- * Practical learning experiences through mock interviews and presentations

OUTCOMES

- * Students developed essential soft skills for personal and professional growth
- * Improved employability skills among students
- * Enhanced student confidence and self-esteem
- * Stronger relationships between students, trainers, and organizers

Industrial visit to Network Bulls, a leading IT training provider

"Exploring the world of IT and cybersecurity!"

Industrial Visit

- Our BCA Data Science 3rd Sem students visited Network Bulls, a leading IT training provider, on September 10, 2024, organized by the Training & Placement Cell and Dept. of Computer Science and Engineering.
- Students gained valuable insights into:
 - ★ Cybersecurity
 - ★ Network security
 - ★ Server management
 - ★ Router operations
 - ★ IP addressing protocols
- This industry visit was a great learning experience, empowering our students with essential knowledge in networking!

2-day workshop on "Communication Skills and Job Readiness"

"Empowering our BBA students for success!"

SDIET's Training and Placement Cell, in collaboration with the Department of Management Studies and IBM (via Anudlip Foundation), organized a 2-day workshop on "Communication Skills and Job Readiness" for BBA 3rd Semester students.

Led by Mr. Kapil Sharma, the workshop focused on enhancing communication techniques and job readiness skills, covering topics like emotional intelligence, 7 C's of communication, and verbal communication techniques.

- Our students actively engaged and learned effective strategies to boost their job prospects in a competitive market!

“Pre-Placement Session!”

Our T&P Cell organized a pre-placement session for BBA final year students with Basiq 360 (Abacus Desk IT Solutions Pvt. Ltd.) on Sept 11, 2024!

Ms. Neha Verma (HR-Basiq 360) shared valuable insights on the Job Description and offered expert tips to ace the upcoming interview.

- We're grateful for Basiq 360's collaboration and look forward to a successful placement drive!

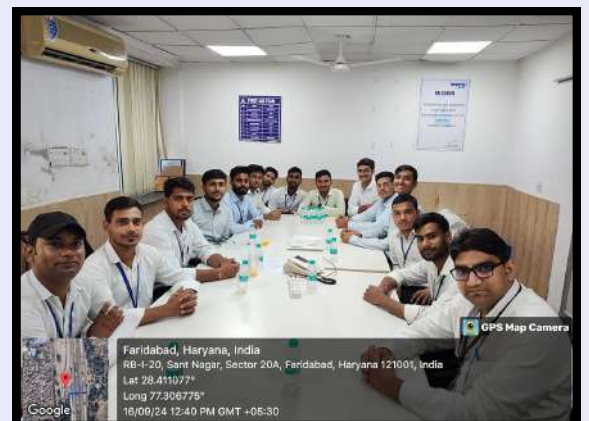

An industrial visit to Imperial Auto Industries Ltd, Faridabad

“Industrial Visit Alert!”

SDIET's Training & Placement Cell organized an industrial visit to Imperial Auto Industries Ltd., Faridabad, for B.Tech ME final year students on Sept 16, 2024.

Highlights:

- Insights into manufacturing processes & quality control
- Live demos of CNC machines, automation & robotics
- Expert sessions on industry challenges & opportunities
- Interactive Q&A sessions
- Our students gained valuable knowledge and inspiration!

T & P CELL

● SEPTEMBER, 2024

SDIET's Training & Placement Cell hosted Q Spider's placement drive

SDIET CAMPUS PLACEMENT DRIVE!

SDIET's Training & Placement Cell hosted Q Spider's placement drive for final-year B.Tech CSE, ME & BCA-DS students on Sept 17, 2024.

Talent Acquisition Experts, Ms. Kanaksha Suryani M & Katherine Joshi, interacted with students, sharing valuable insights from CEO Mr. Girish Shivanna.

- Over 120 students participated, gaining tips on acing interviews and exploring bright career opportunities!

SDIET's Training & Placement Cell organized a visit to Network Bulls Pvt. Ltd, Gurugram

Industrial Visit !

SDIET's Training & Placement Cell organized a visit to Network Bulls Pvt. Ltd., Gurugram, for B.Tech CSE 2nd year students on Sept 14, 2024.

Students gained hands-on experience with cutting-edge networking technologies and industry applications.

- Network Bulls' experts shared valuable insights, making this visit an invaluable learning experience!

T & P CELL

● SEPTEMBER, 2024

Financial Literacy Awareness Seminar

Empowering our Students for success!

SDIET's Training and Placement Cell, in collaboration with the NSDL organized a Financial Literacy Awareness Seminar. In the seminar our BBA students gained invaluable insights on managing finances, investing wisely, and securing their futures!

Expert speakers shared practical knowledge, real-life examples, and interactive sessions made learning fun!

- Our students actively engaged and learned effective strategies to boost their job prospects in a competitive market!

Digital Marketing certification program

Empowering Future Marketers!

SDIET's Department of Management Studies & Training & Placement Cell conducted a Digital Marketing certification program for BBA 3rd & 5th sem students, empowering them with industry-essential skills & knowledge.

- Essential skills + Industry knowledge = Future Ready!

20th September 2024

Tech Takes the Stage: CSE & BCA Raise the Bar

On 18th September 2024, the Department of Computer Science & Engineering organized an immersive technical event for CSE and BCA 3rd Semester students, guided by Dr. Rinki Singh. This hands-on session gave students a taste of both frontend finesse and backend brilliance.

Participants explored the foundations of web development, including HTML, CSS, and JavaScript, while also diving into popular frontend frameworks like React, Angular, and Vue.js. The session then transitioned into backend development, covering powerful tools such as Node.js, Python, PHP, Ruby, and their associated frameworks like Express and Django.

To ensure modern and responsive design, students also learned about mobile-first layouts, media queries, and flexible grid systems. The event wrapped up with insights into Content Management Systems, including WordPress, Joomla, and Drupal – equipping students with end-to-end development knowledge. This event didn't just teach code; it sparked creativity, critical thinking, and collaboration among our future tech leaders.

RJ MODE ON – THE BROADCAST BATTLE

20th September 2024

Voices on Air: BBA Students Rock The Broadcast Battle

On 20th September 2024, the Department of Management Studies turned up the volume with a one-of-a-kind event—"The Broadcast Battle"—designed exclusively for our enthusiastic BBA First Year students. The initiative wasn't just a competition; it was an invitation to unleash creativity, confidence, and communication through the lens of live radio.

Stepping into the role of radio jockeys, BBA students formed teams to create their own live radio segments—complete with catchy jingles, news bites, interviews, and themed content. Each broadcast was a showcase of creativity and teamwork. The event buzzed with energy as students delivered everything from humor-filled shows to impactful social messages. The Broadcast Battle wasn't just about speaking—it was about connecting. It gave every participant a platform to express, engage, and explore the power of voice.

WORKSHOP ON DESIGN THINKING & INNOVATION

23rd September 2024

Workshop on Design Thinking & Innovation

On 23rd September 2024, creativity took the spotlight as the Department of Computer Science and Engineering hosted a hands-on workshop on Design Thinking and Innovation for BCA and B.Tech third-year students. Led by Dr. Manoj Wadhwa, Innovation Ambassador from Chandigarh University, the session was all about solving real problems with practical, human-centered ideas.

Students learned the five key stages of design thinking—Empathize, Define, Ideate, Prototype, and Test—and applied them to real-life scenarios. The workshop emphasized empathy-driven solutions and collaborative brainstorming.

Dr. Wadhwa brought the concept to life with compelling insights, emphasizing the role of empathy in innovation and the value of failure as a learning tool. His engaging approach turned the session into a two-way dialogue—sparking curiosity, encouraging collaboration, and empowering students to think like inventors. The session concluded with students sharing their ideas and receiving feedback, transforming the workshop into a vibrant hub of creativity and constructive critique. It wasn't just a lesson in innovation—it was a mindset shift. This workshop marked an important step toward building a campus culture of innovation.

LITERARY CLUB & BBA

26th September 2024

Voices, Visions & Verve: A Day of Expression

Chakmajai, Haryana, India

Bhopani Lalpur Road Village, Bhopani, Neharpar, CCJ2+MX, Chakmajai, Haryana 121002, India

On 26th September 2024, SDIET's Literary Club joined hands with the BBA General and Finance First Year students to host a intellectually stimulating event that celebrated the power of words, ideas, and self-expression. The event featured a lively lineup of activities designed to stretch both the imagination and the intellect. From group discussions that tested quick thinking, to storytelling sessions that wove narratives of emotion and wit, students had the opportunity to engage deeply and meaningfully with their peers. One of the standout segments was the RST Game—an interactive activity that blended fun with critical reasoning, encouraging fast responses and sharp reflexes. Presentations on trending topics, speeches that sparked applause, and spontaneous debates kept the room buzzing with ideas and energy.

More than just an academic event, the day offered a platform for students to build essential soft skills such as public speaking, teamwork, and critical thinking. It also gave shy voices the chance to be heard and confident ones a moment to shine.

FUTURE FORWARD – AI & ML EVENT

15th October 2024

Machines That Learn, Minds That Lead: AI & ML Take Center Stage

On 15th October 2024, the Technical Club of SDIET organized a compelling and futuristic event for BTech CSE and BCA students, diving deep into the evolution of Artificial Intelligence and Machine Learning. The session wasn't just informative—it was energizing.

The room was alive with energy as BTech CSE and BCA students came together on 15th October 2024 for a deep dive into the world of Artificial Intelligence and Machine Learning. The event traced AI's journey—from early concepts to real-world breakthroughs in automation, healthcare, finance, and beyond. Students actively participated in discussions around AI ethics, job disruption, and how engineers can shape a responsible tech future. It wasn't just about understanding AI—it was about imagining how they could lead its next wave. The event left students inspired, curious, and ready to explore the limitless frontier of intelligent technologies.

SPOTLIGHT ON EXCELLENCE

18th October 2024

Power, Precision, and Pride: Pranjali Makes Her Mark

On 18th October 2024, SDIET soared with pride as Pranjali, a B.Tech CSE (5th Semester) student, delivered a phenomenal performance at Rawalympics 2024—the annual intercollege sports meet hosted by Rawal Institute.

Pranjali showcased exceptional athleticism by securing a gold medal in Shotput (Women) and a bronze medal in Discus Throw (Women), outshining competitors from across institutions. Her achievements not only reflect physical strength and skill, but also the grit, discipline, and determination that define true champions. Her journey is a glowing example of balancing academic commitment with sporting excellence. She has become an inspiration for fellow students, proving that passion and perseverance can take you to the podium.

FINANCIAL LITERACY FOR LIFE

20th and 21st October 2024

Money Matters Most: Empowering the Next Generation Through Financial Wisdom

On 20th and 21st October 2024, SDIET welcomed a transformative learning experience as it hosted a Financial Education Workshop in collaboration with the National Institute of Securities Markets (NISM). Led by the esteemed SEBI-certified trainer, Ms. Jyoti Kapoor, the two-day session empowered participants with the tools and knowledge to take control of their financial futures.

The workshop delved into the fundamentals of financial literacy, touching on crucial topics like investment planning, risk management, budgeting, and smart saving habits. More than a lecture, it became a space for dialogue—where participants shared their perspectives and learned how personal finance decisions can shape long-term security and success.

Ms. Kapoor's expert guidance helped simplify complex concepts like mutual funds, inflation protection, and long-term wealth creation. Whether a first-time investor or someone looking to build better financial habits, every attendee walked away with actionable insights.

The event served as a powerful reminder that money management is not just for business majors—it's a universal life skill. By fostering awareness and clarity, the workshop helped plant the seeds for a financially confident generation.

CODING CHAMPIONS CELEBRATED

21st October 2024

Gen AI Stars Shine Bright: GDSC Rewards Innovation & Excellence

On 21st October 2024, the Google Developer Student Club (GDSC) at SDIET organized an exciting and celebratory event that recognized brilliance, innovation, and consistent effort in the realm of Artificial Intelligence. The Gen AI Swag Distribution Ceremony, led by GDSC Lead Nikhil Shukla and supported by Faculty Advisor Ms. Anjali (AP, CSE), honored the top 35 students who had shown exceptional performance in the GDSC Gen AI program conducted in May 2024. The event wasn't just a reward giveaway—it was a celebration of potential, passion, and progress. Each student received exclusive GDSC Gen AI merchandise, a symbol of their dedication to learning advanced technologies and contributing meaningfully to the club's tech-driven ecosystem.

Events like these remind us that success in tech is not only about coding—it's about curiosity, community, and continuous growth. The GDSC team continues to foster these values, making innovation both accessible and exciting for all. This recognition not only boosted morale but also reaffirmed the importance of student-led initiatives that promote peer learning, innovation, and hands-on tech experience.

COMMUNITY OUTREACH

24th October 2024

Inspiring Young Minds: SDIET Hosts Future Builders

On 24th October 2024, SDIET opened its doors and hearts to the bright students of Government Boys Senior Secondary School, Faridabad NIT 5 for a specially curated career counseling session. Guided by our experienced faculty members, the initiative aimed to empower young learners with clarity, confidence, and a glimpse into the endless possibilities that lie ahead.

The session focused on three powerful themes—Entrepreneurship, Self-employment, and the ever-evolving world of Artificial Intelligence. These areas represent not just career paths, but transformative forces that are reshaping industries and opportunities. Faculty mentors broke down complex ideas into relatable examples, shared personal stories, and encouraged students to dream big while staying rooted in curiosity and skill-building. From lively Q&A moments to thought-provoking discussions, the event created a space where ideas flowed freely and ambitions began to take shape. For many attendees, it was their first exposure to terms like startup culture, AI-powered tools, and

innovation ecosystems—and it sparked excitement and aspiration.

YOUTH INNOVATION IN ACTION

9th December 2024

Igniting Ideas Early: SDV Students Explore Innovation at SDIET

On 9th December 2024, SDIET's Institute Innovation Council had the pleasure of hosting a vibrant group of 12th-grade students from Satyug Darshan Vidyalaya, representing various academic streams. The visit turned into an unforgettable learning experience—blending inspiration, innovation, and exploration.

भरतपुर, 26 नवंबर

फरीदाबाद। इंटर स्कूल प्रतियोगिता के विजेता बच्चे पुरस्कारों के साथ।

सत्युग दर्शन इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी के विद्यार्थियों के लिए आयोजित-एकदिवसीय इंटर स्कूल प्रतियोगिता का आयोजन किया। प्रतियोगिता का उद्देश्य विद्यार्थियों को कृत्रिम बुद्धिमत्ता, क्लाउड प्लेटफॉर्म, स्मार्ट संचार, सतत विकास, कृषि, अपशिष्ट प्रबंधन, रीनोवेटिंग सिस्टम जैसे समकालीन विषयों पर अपने विचार प्रस्तुत करने का अवसर प्रदान करना था। यह प्रतियोगिता ऑनलाइन और

ऑफलाइन दोनों मोड में आयोजित की गई। प्रतियोगिता में कुल 142 स्कूलों को आमंत्रित किया गया था। जिनमें से 111 स्कूलों की प्रतिभागिता हुई। प्रतियोगिता के आयोजन में शैलेंद्र कुमार और मुख्य प्रशासनिक अधिकारी कर्नल रंजीव गुप्ता ने कहा कि इस तरह की प्रतियोगिताओं से विद्यार्थियों की प्रतिभा दिखाने का अवसर मिलता है। अंत में प्रतियोगिताओं के विजेताओं को प्रोत्साहन स्वरूप कैश पुरस्कार दिया गया। सभी प्रतिभागियों को प्रशस्ति पत्र भी दिए गए। इस दौरान संस्थान के अध्यक्ष एमके खन्देशी ने प्रतिभागियों को प्रोत्साहित करते हुए कहा कि आगे वे इससे बेहतर प्रदर्शन करें।

The students came prepared not just to observe, but to actively participate. They presented creative project ideas and themed presentations, each bursting with originality and vision. From sustainability solutions to tech-enabled tools, their concepts reflected the kind of thinking that defines the next generation of innovators.

Throughout the visit, the students interacted with SDIET faculty and mentors, who offered valuable insights and encouragement. They also explored working models of innovation within the institute, gaining firsthand exposure to the applied side of engineering.

AWARENESS & EMPOWERMENT

9th December 2024

Respect Starts Here: Building Safer, Stronger Workplaces

On 9th December 2024, the Internal Committee/Women's Cell at SDIET organized a vital workshop titled "Creating a Respectful Work Environment: Workshop on Sexual Harassment Prevention." The session was designed to educate and empower employees and faculty members on the importance of a safe, respectful, and inclusive workplace for all.

This proactive initiative focused on raising awareness about what constitutes sexual harassment, how to recognize it, and the critical legal and institutional mechanisms in place to address and prevent it. The workshop also explored real-world scenarios, encouraging open dialogue and shared reflections in a safe, supportive environment.

KNOWLEDGE & INNOVATION

14th December 2024

Respect Starts Here: Building Safer, Stronger Workplaces

On 14th December 2024, the Institution's Innovation Council (IIC) at SDIET hosted an insightful webinar on Intellectual Property Rights (IPR) for faculty members, reinforcing the vital connection between innovation and legal protection. The session was led by Dr. Alok Gupta, a seasoned Patent Attorney, who brought clarity to the complex yet critical world of intellectual property.

He highlighted how patents, copyrights, and trademarks serve not just as legal tools, but as strategic assets for creators, researchers, and institutions. Faculty attendees gained valuable insights into the processes of filing patents, defending originality, and understanding IP ownership in academic environments. Dr. Gupta also addressed common doubts, helping participants navigate the nuanced landscape of IP protection with more confidence and awareness. This session served as a powerful reminder that innovation doesn't stop at ideas—it thrives when those ideas are nurtured, protected, and respected.
